

EHS no longer produces a Hazardous Materials Management Manual either as a hard copy or PDF. Instead the EHS website groups appropriate information based on a person's responsibilities. Refer to the appropriate link below:

Registered Users: <http://ehs.missouri.edu/haz/registered-user.html>

A principal investigator or supervisor who has the primary responsibility for locations where hazardous materials are used. At MU, all hazardous materials must be procured, stored, and used under the authority of an RU.

Chemical Workers: <http://ehs.missouri.edu/haz/chemical-worker.html>

Chemical Workers are persons under the supervision of a Registered User who work with hazardous chemical materials.
