A fee of $3.65 will be charged for each new dosimeter added to a dosimeter group. This fee covers shipping and handling of the new dosimeters outside of the normal production and delivery cycle.

### Dosimetry Charges

**USE**

This charge is a flat rate and is assessed monthly for monthly dosimeters and quarterly for quarterly dosimeters. The charge is $2.75 per participant per month (for monthly dosimeters) or $8.25 per participant per quarter (for quarterly dosimeters), regardless of how many dosimeters an individual uses. If a person has dosimeters in multiple subaccounts, the fee will be assessed for each subaccount.

**LATE**

Dosimetry not returned to EHS within 15 days of the end of the wear period will be charged the LATE fee. The beginning of the wear period is printed on the back of your dosimeter. As an example, a quarterly badge with the date '01-01-22' must be returned by April 15, 2022, to avoid the late fee.

**LOST**

Dosimetry not returned to EHS within 75 days of the end of the wear period will be charged the LOST fee. The beginning of the wear period is printed on the back of your dosimeter. As an example, a quarterly badge with the date '01-01-22' must be returned by June 15, 2022, to avoid the lost fee.

**SHIPPING**

This charge is a flat rate and is assessed monthly or quarterly, depending on dosimeter frequency. It is applied to each package of dosimeters that you receive. As an example, if you have a monthly dosimeter account, you will be charged $4.25 per month. Quarterly dosimeter accounts will be charged $4.25 per quarter.

### Notes:

- You will be notified if the Radiation Safety Section (RSS) determines that you no longer require dosimetry.
- Other additional charges such as late and lost and express shipments will come on a separate statement.
- Please review the billing information and contact info (below) for accuracy.
- Notify the EHS office of any changes or corrections, including MoCode, fiscal contact, departmental contact and address.
- For changes please contact Leona Choi at (573) 882-0905 or by email: echoi@missouri.edu
