

EHSA – Login at ehs.missouri.edu

EHS Assistant

The all-new EHS Assistant (aka EHSA 4.0) is an interface through which users can request services from EHS and track information related to use of chemical, biological or radioactive materials. Tutorials for this new version of EHS Assistant are at: https://ehs.missouri.edu/ehsa_tutorial.

Individuals may login by entering their PawPrint and associated password.

[Login to EHS Assistant 4.0](#)

EHS Assistant allows users to do the following:

- View the list of free chemicals available from the Chemical Inventory
- Request pickup of unwanted chemical, biological or radioactive materials
- Register for EHS training
- Review and respond to EHS inspection reports
- Maintain and verify chemical, biological and radiological inventory
- View and update worker rosters
- View worker training records
- Update locations where hazardous materials are used or stored

Chose “Login” under “EHS Assistant”
The click on the BLUE “Login to EHS Assistant 4.0”
