## University of Missouri Food Truck Program Exhibit A

Food Truck lunch locations can now be purchased on an a la carte basis. Locations and times selected must remain the same for the entire contract year and cannot be traded or transferred to other vendors. Choose the locations from the list below and rank selections in order from first choice to last. At least one must be chosen and no more than 20. Rank ONLY the locations you are willing to purchase on your contract. For example, if you rank the South Providence location on Mondays, SP-M, and are awarded it, your contract must include the location and associated fees.

Schedule of locations for Lunch (9:30 AM-2:30 PM) Program. Includes time for setup and breakdown. Pricing for Academic Year 2023 (Aug 1, 2022-July 31, 2023).

M = Monday, T = Tuesday, W = Wednesday, R = Thursday, F = Friday

<b>Speakers Circle 1 &amp; 2 \$700 each</b>	<b>Hitt Street *NEW \$700</b>	<b>South Providence \$300*</b>	<b>Research Park \$200*</b>
SC-M	HS-M	RP-M	SP-M
SC-T	HS-T	RP-T	SP-T
SC-W	HS-W	RP-W	SP-W
SC-R	HS-R	RP-R	SP-R
SC-F	HS-F	RP-F	SP-F

\*Contracts with *ONLY* these locations do not include automatic participation in the On Demand Program. Available for additional \$250 fee.

### **Access to food cart locations: \$400**

Food cart locations are separate from those listed above. Food carts have access to all food cart locations on campus and are filled on a first-come first-serve basis. Food carts with access to food cart locations automatically are enrolled in the On Demand Program.

### **On Demand Program: \$450**

Vendors in the On Demand Program may only operate at the University if a request is initiated by an Official University operational unit or Officially Recognized Student Organization. Vendors are limited to

the specific date, time, and location of the event that has been approved through the appropriate Outdoor Space Reservation Process.

**Other information:**

All packages and prices are on an annual basis.

All participants are subject to routine food safety inspections by Environmental Health & Safety.

When requested to be on campus please ensure the organization has submitted the necessary paperwork and has received approval to operate at the requested location.
