

APPENDIX A: Notification of Biological Shipment to MU EHS

Scan this completed form to: Fax to: Jon D. White/EHS 884-5270

In addition to this form, also fax to EHS copies of:

- Air waybill and/or Dangerous Goods Declaration (when applicable)
- Other pertinent shipping records

This form is for notifying EHS of the shipment of a biological material, as indicated below, by a trained/certified individual. If you have not taken training, sign up for online training at <http://vco.missouri.edu/ehsweb/training/>

Please complete one form for each set of shipping papers and package being shipped.

This information must be received by EHS before the shipment leaves the University.
