

1st Quarter PBE: Updated Training!

Introduction to Radiation Safety is now a two part course:
Part I is a self-paced online course in Blackboard and
Part II is a practical, hands-on course taught in a classroom.

• To register for Part I:

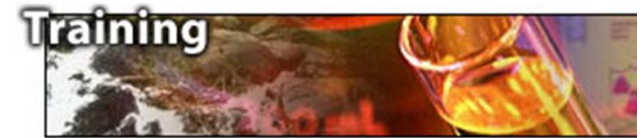

- 1) Go to <http://ehs.missouri.edu/train/index.html>
- 2) Under **Online Classes** click “Introduction to Radiation Safety – Part I”
- 3) To register for Blackboard complete the **form** by clicking on the link in the instructions
- 4) Once you have been registered, the course will appear in your Blackboard course list as “Introduction to Radiation Safety – Part I”

• To register for Part II:

- 1) Go to <http://ehs.missouri.edu/train/index.html>
- 2) Under **Class Registration** click “Register for an upcoming class”
- 3) ATTENDEES WILL NOT BE PERMITTED TO PART II UNLESS THEY HAVE PROOF OF SUCCESSFUL COMPLETION OF PART I (Print grades from blackboard)

• To register for Radiation Safety Refresher:

- 1) Go to <http://ehs.missouri.edu/train/index.html>
- 2) Under **Online Classes** click “Radiation Safety Refresher”
- 3) To register for Blackboard, if you haven’t already taken the course, complete the **form** by clicking on the link in the instructions
- 4) Once you have been registered, the course will appear in your Blackboard course list as “Radiation Safety Awareness & Radiation Worker Update/Refresher Training”
